The Weyburn Agricultural Society is a not-for-profit organization. We strive to live up to our motto “*Educating and Entertaining our Youth and Community*” through the numerous events we host throughout the year. Our focus is providing entertainment, safety training, and agricultural events for all ages.

## **This year we are proud to present the 117th Annual Fair Days held July 2nd - 4th, 2026.**

We have plenty of exciting things planned for this years Fair Days including the Souris River Rodeo, Souris River DQ Kids Rodeo, Ol’ McDales Petting Zoo, and much more! New this year is the Thursday Night Thunder show featuring Global FMX Motocross, Horses vs Horsepower Barrel Racing , Kid’s Hot Wheel Derby, Lawn Mower Racing, Burnout Competition and Smash It Show! Plus we will be having live entertainment every night in Swayze’s Saloon to keep the fun going!

### **Why Sponsor?**

Fairs and exhibitions are a gathering place for the public, both young and old. They offer a public place to meet, compete and volunteer in the community. Sponsorship offers a great opportunity to advertise your business or organization within Weyburn; to have your name attached to a family event like this can only increase your positive brand image and provide fun and smiles while doing so. Sponsoring also allows non-profits, such as the Weyburn Agricultural Society, to continue offering quality events and experiences to the folks of Weyburn and surrounding area.

Thank you for your consideration of this request and we look forward to working with our sponsors to provide great entertainment for the community.
